AB VISTA EXPANDS ASIA PACIFIC TEAM WITH NEW APPOINTMENT

AB Vista, a leading global supplier of new generation micro-ingredients for the animal feed industry, has expanded its team in the Asia Pacific (ASPAC) region with the appointment of Dr. Seng Huan Chee as Regional Technical Director based in Singapore.

Dr. Chee will be responsible for developing the feed additive business in the region as well as offering technical support. With more than 12 years international experience in the feed and livestock sectors, Dr. Chee started his career as a field veterinarian and nutritionist by gaining a DVM and MSc from the University of Agriculture, Malaysia and the University of Wollongong, Australia, respectively. He was also a Group Nutritionist for Gold Coin Group prior to pursuing his PhD studies in animal nutrition at the University of New England, Australia in 2006. He subsequently worked as the Technical Sales Manager for Evonik Degussa before joining the AB Vista team.

Commenting on Dr. Chee's appointment, MY Tan, ASPAC Regional Sales Director of AB Vista stated: "We are delighted that Dr. Chee is joining AB Vista. The business will benefit greatly from his knowledge and experience and he will help us to achieve our ambitious growth targets."

Dr. Chee's appointment is effective immediately.
